22nd October, 2007

Dear Parents,

DECEMBER HOLIDAY DATES

We will close after lessons on **Saturday, 22nd December**, and re-open on **Monday, 7th January, 2008**. You will be charged your normal fee for December, and for January. There will be no increase in January.

Collecting the December fee is always very difficult due to the holiday season, so could I ask as many of you as possible to pay both your November and December fees at the beginning of November? If it is difficult for you to do this, you are welcome to pay your December fee at the beginning of December. However, it must be paid by 8th, otherwise you may lose your place, as I have a waiting list for some classes.

Similarly, your January fee needs to be paid by 8th. Please make arrangements to do this if you are going to be away. You can arrange with your bank to pay into my account, or give me postdated cheques for December and/or January. Or arrange to call in person, as I am not going away.

DECEMBER COURSE

If there is sufficient interest, I'll run a course of lessons, 26th to 31st December. The fee is R250 for the course. Swimmers come every day for the 5 days. This concentrated instruction boosts the progress of many. I'll put a sign up list in the enclosure, or you can e-mail or sms. Please let me know by 12th November if you'd like your child to take part, so I can draw up a timetable in good time.

MISCELLANEOUS

If you have any swimsuits that your family have finished with, and are still in good condition, I'd appreciate having a few more to be able to help swimmers whose parents have forgotten to pack theirs, particularly the larger sizes.

My sincere thanks to Nicole, Collette, Joanne, Cindy, Jemina & Josephine for all their hard work this year, also to those of you who have recommended the Swim School to family and friends.

It seems very early, but I would like to wish you all a wonderful, restful holiday. Do take care, particularly if you are travelling, and I look forward to seeing you all again in 2008.

Very best wishes,

IRENA
