1st September, 2011

Dear Parents,

Well, hopefully the winter is behind us, Spring is here, and with it, a new swimming season. This Newsletter is to keep you up to date with everything that's happening at the Swim School:-

## Equipment

I'll be placing an order on 15th September, so if you'd like me to include items for you, you'll need to let me know before then. Cash with order, please.

Small Kickboards - R35

Large Kickboards - R50

Noodles - 2 metres long, plain - R75

'Bones' - R45

## Public Holiday

Saturday 24th September is Heritage Day, and as it is a public holiday, the Swim School will be closed.

## Closure for Repairs & Maintenance

We will be closed Monday 3rd to Saturday 8th October inclusive, so that essential repairs and maintenance can be carried out. It's not possible to do this work while we have swimmers on the premises. I've scheduled this to coincide with the government schools spring break to minimise inconvenience. We will re open on Monday, 10th October. During this time we will also change the access code. For security reasons, the new code will be sent to you in a separate e-mail.

## Open Mornings

There will be an Open Morning for the parents of swimmers in our Nursery School groups on Saturday, 15th October, and for the parents of our After Care swimmers on Saturday 29th October. Details will be sent in a separate letter.

### Photo Shoot

On Saturday 22nd October, Oliver will be here for our underwater photo shoot. He is a professional, and specialises in underwater photography. The cost will be R190 per set, which includes 3 x postcard size prints, different poses, 1 x A4 print, and 4 passport size prints. (Sample in the changing room). You can e-mail or sms me to sign up, or add your child's name to the list in the enclosure. Money must be paid by Saturday, 15th October in cash. **Please do not deposit photograph money into my bank account.** I will then allocate a time for you to be here. If you have a time preference, please let me know when signing up, and I'll do my best to accommodate you.

There will be no refunds, even if your child is ill on the day. We need a minimum of 30 swimmers to be able to go ahead. Children must be comfortable submerging to the bottom of the pool in the shallow end to have their photo taken. Babies, or children who prefer, can do a front star float on the surface with eyes in, and Oliver will take the pictures from underneath. These photos really are beautiful, there are a few in the changing room, they would make a lovely gift for grandparents.

### Novice Gala

A Novice Gala is scheduled for October or November. As soon as I have more details from the organisers I will let you know. In the meantime, if your child can easily swim 4 lengths of the Swim School pool (using a kickboard if under 7 years) and would like to take part in the gala, please discuss it with your child's teacher, and/or let me know.

Thank you once again for all your support, and for the referral of family and friends.

Kind regards,

Irena
