SPRING NEWSLETTER

Dear Parents,

1st September, 2009

STAFF

I'm delighted to welcome *Gail White* to the Swim School. She will be teaching the Tuesday and Thursday afternoon classes after an introductory period of about 2 weeks. *Gail* is very well qualified, and brings much experience, particularly from her time teaching in the UK.

I'm sorry to be saying goodbye to *Christelle*, who has been offered a marvellous promotion at her day job. She will be required to work there all day on Saturday, so has to leave the Swim School at the end of September. Thank you, *Christelle* for your dedication, I wish you every success in the future. I will advise the affected parents as soon as I have found a replacement.

HOLIDAY

The Swim School will be closed **Monday 28th September to Saturday 3rd October inclusive**. This is so that staff can enjoy the full annual leave to which they are entitled.

FORTHCOMING EVENTS

A Novice Gala is scheduled for 5th December. More details later.

There will be an Open Day for the parents of children who swim with their school groups on Saturday, 10th October. Details will be sent in a separate letter.

On Saturday, 17th October, *Oliver Koch* will be here to take underwater photographs. The fee will be R170 per set, which includes 3 postcard size prints, different poses, 1 A4 print, and 4 passport size prints. (Sample in the changing room.) There will be a sign-up list in the enclosure from 21st September, or you can e-mail or sms. Money **must** be paid by Saturday,

10th October in cash. **Please do not deposit photograph money into my bank account.** I will then allocate a time for you to be here. If you have a time preference, please write that on the list, and I'll do my best to accommodate you. There will be no refunds, even if your child is ill on the day. We need a minimum of 30 children. Your child must be comfortable going to the bottom of the pool in the shallow end to have his/her photograph taken.

GENERAL

Thank you to all the parents who pay fees promptly and in full each month. However there are some who only pay after we follow up, and it seems to be the same families each month. Your fee is due on the first, the amount is the same each month. Please co operate by not waiting to be reminded.

You should remain on the premises while your child is having his/her lesson. We cannot be responsible for your child outside of lesson time, as the teacher must concentrate on the children who are in the water.

We are now offering lessons for adults in classes, rather than the individual lessons we have had in the past. Cost R165 per month, plus deposit, for one lesson a week. There will be up to 4 swimmers in a class. Please contact us if you want to learn, or brush up on your skills ready for the summer, spaces are filling up fast!

I've posted some photos of the Swim School on my Facebook page. The link is <http://www.facebook.com/album.php?aid=145318&id=667183344&l=a351943e81>. Or you can become a Facebook Friend. You're very welcome to post your own photos or videos of your children swimming.
